A DISCOVERY BY ACCIDENT,

DISEASES OF THE KIDNEYS the most prevalent, dangerous and fatal affec-one that afflick mankind, and so varied and insidious their character, that persons often suffer for a long as before knowing what alls them. The most watchight symptoms are gradual wasting away of efore knowing what alls them. In a more relatic exputous are gradual wasting away of sle body; pain in the back, side or loins; a coble, exhausted feeling; loss of appetits and of exercise; acanty and painful discharge of sly colored urine; inability to retain or expet in a minute streds or casts in the urine; and, he discase is of long duration, there is much actation and general nervous prostration.

THE ONLY CURE. We say positively, and without fear of contradiction, that BAV'S KIDNEY PAD is the first and only infallible core for every form of Kidney disease. It is the best remedy yet discovered for this complaint, and more effectual in its operation than any other treatment. By using faithfully and peruistently no case will be found so investment as not to yield to its poserful reincidal virtues.
